Before the funeral we will co-ordinate all services that you contract, deal with document administration, pay taxes on your behalf and organise the death notice online and in the newspaper, giving you peace of mind.

2 PREPARING THE DECEASED FOR THE VIGIL

We will make sure that your loved one seems at peace, ensuring that they look as natural as possible when you see them for the last time.

3 COMPLEMENTARY SERVICES

We organise flower arrangements, coordinate transport throughout the funeral, as well as other specialist services such as catering and music.

4 THE VIGIL

Your personal needs are catered for throughout the vigil, so that you can calmly receive your friends and relatives.

You, your family and friends can pay your respects together.

This is a time when people join together, give speeches, and, if you wish to make the ceremony even more special, music is played.

When the vigil/funeral ceremony has finished we will drive the hearse to the chosen cemetery or crematorium.

+ An additional car may be possible, please ask about availability.
